Dear Sir/Madam:

With regard to FDA Irradiation Approval Docket # 98N - 1038, I request that irradiated food be labelled as such. They should be labelled as irradiated or display the radura symbol.

Terms such as - cold pasteurization and electronic pasteurization are misleading and should not be used. Also, the absence of any labelling or statement is misleading.

Thank you for attention, concerning this matter.

Sincerely,

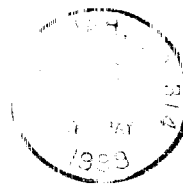

A handwritten signature in cursive script, appearing to read "Sharon Walker".
